Events and Activities

RDO- held on September 13th at Pittsburgh Mills. What an exciting day we had there! Canine Officer Mike Naviglia and his Belgian malinois, "Havoc" were a hit! The crowd had great questions but no adult could out do the children and their questions. The children were interested in the dog's equipment and what it was for. Donations towards the Bite Suit were accepted and there was a lot of interest in the local dog laws and Life time Dog licensing. Mary and "Chase" were present for the Therapy Dog inquiries. As always, people with interest came to see "Chase" and speak with Mary. Ellen and "Molly" represented our Rescue Dog. Rescue donations were being accepted for our participation in the National rescue event. Our Meet the Breeds portion is always a crowd attraction. Besides "Molly" and "Chase", other members and their Irish included Joan and "Dewey", George and "Elizabeth" and Lorrie and "Mulligan". Our members who own other breeds were Judy and her Italian Spinoni, "James"; Lisa and her Cavalier King Charles, "Louie" and Berner, "Gus"; Ruth and her English Cocker, "Candy". A huge thank you to our other guests and their dogs which included a standard poodle, Berners, dachshunds, weims and pugs. Money was also raised with a raffle basket of dog goodies donated by Coleen, Joan and Deb. This also went to the cost of the Bite suit. The Mall was gracious, helpful and as always, very receptive of us. Thank you to all who were able to participate and to Coleen and Mary who chaired this very successful event.

"Pittsburgh Pirates "Pup Night" - Lorrie reported all had a grand time! Mary discovered that "Gus" and "Chase" made the WPXI website report.

Home Interiors Candles - Order forms were handed out at the September meeting. Orders are due by the October meeting and delivery will be the November meeting. Profit is 50%. Deb is the chairperson for this fundraiser. If you did not attend the meeting, contact her and she will mail you the information.

Lottery January 2009 - the tickets are printed and ready to go. Dee is chairing this. Contact Dee to get your tickets. 10% of the profits will benefit our trophy fund.

Santa Photos - Santa photos are scheduled for Saturday December 6th, noon till 5:00 at Brenkle's greenhouse, Butler. Our own Santa Claus will be on hand for those photos. Cost is still \$5 each and will benefit the Bite Suit for the Canine Officer. The club will also have a raffle basket available that afternoon.

Raffle Baskets will be put together for the Holiday Season. Joan will have one at her Pet Wellness and training Center, Butler. Sue Rosko will have one in her grooming shop. The proceeds from the baskets will be determined later.

Annual Christmas dinner Meeting - it has been suggested to hold our celebration in a home instead of a restaurant. The suggestion has been mentioned by several members. Trying to find a location has been a challenge along with the cost being pricey. (it seems it's an average of \$50 per person). Deb has offered to have it at her home. She has plenty of room for everyone. Details will be discussed at the next meeting. Dates to be considered will be Saturday, December 20th or 27th. Restaurants will also be researched a bit more. A decision will for date and location will be at the October Meeting. Holding it at Deb's will be at a more reasonable cost. The annual Chinese Gift Exchange has been requested, too. That is always a fun activity.

Specialties 2009

MSDA - We will again be supporting the entry of Irish Setters for the Saturday show under judge, Jim Fankhouser. We have trophies items already in stock for this show, so nothing should need to be purchased. Sunday's judge will be Maureen Day. We will advertise our specialty shows in their catalog. This should again, be a nice weekend.

New Castle Memorial Day weekend - Dee will be sending in the request letters to sweepstakes judges. Our specialty show judges are Bill Cunningham, chosen by the cluster as we did not get back to them in time with a choice, and Dick Fox. We will be offering sweeps for Friday and Monday, besides for our specialties on Saturday and Sunday. Deb and Coleen will work on trophies.

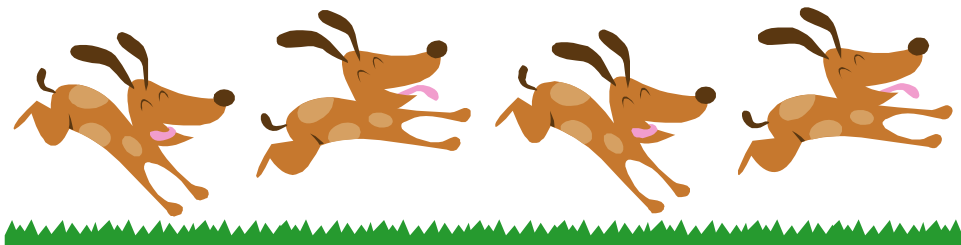

ISCA National - June 15th thru 20th. Hotel reservations begin on October 1st. Go to www.irishsetterclub.org for national information. Deb still has a few information packets. Contact Marilee Larson if you can help out at the Rescue Booth, Contact Mary concerning the rescue parade Bags we are doing. Contact Mary if you want to donate to the Rescue basket or bags. June will be here before we know it!

Joan has been in contact with the national rescue committee. We will be selling decals that say "I support Irish Setter Rescue". Joan will get 25 decals that sell for \$6 each or 2 for \$10. This will help with costs for the national rescue. Tee shirts by the committee are going to be designed. They are hoping to find a club member to come up with a design. There are a lot of creative people out there, so we are sure they will be very successful.

Thank you to Lorrie Nogrady for donating Pittsburgh Pirates items for our Pittsburgh basket that we donate to the host club each year. She has already donated a cap and two different tee shirts towards the basket. Please give any donation items to Deb. The eastern Irish Setter Association is the Host club for the 2009 National. We are very proud to be able to participate.

From the Rescue side.....

Hi Everyone,,,

I must say,,, now that I'm a true Baltimorean, these people celebrate just about EVERYTHING. We recently were celebrating the Olympics... Some swimmer guy,,, Michael Phelps, turns out he is our neighbor, plus the greatest athlete in Olympic history. He won 8 gold medals. I could care less about his accomplishments. What I did love was when he won,,, Ruby and I got treats.... With each gold,,, we got a treat, until they stopped at 8. What is this guy a wimp? Go Phelps... go for 10, 12,,, 15 even. 🤔 Baltimore is in a frenzy. Red White and Blue all over. Of course I'm partial to the Red.

I'm more excited that we are celebrating this month BIRTHDAYS.... YES BIRTHDAYS,,, RUBY, will be a little 3 years old. AND I, the big boy in the house will be 7. This is truly big boy status... 7 big years,, we think. Mom got paperwork that said I was maybe 4 (with a different name) and then more paperwork that said I was 5 September 2006, with yet another name)... who knows. Mom did remember the GTIS asking "are you going to change his name" and she said "Don't you think he's been through enough already,,, Bailey is fine with me" And she's told me over and over that Bailey is perfect. Does she mean the name or actually ME?. I've been here 1 year and 8 months. Yeah,,,, Mom can't believe it either. And since I didn't have an official birthday Mom decided Ruby and I can share one. So OUR BIRTHDAY IS HALLOWEEN. I love being OFFICIAL. Just hope she doesn't try to dress us up 😊

So, now that we are celebrating and Birthdays are great and all that but really just another day in the year. I really think I'm celebrated every day my muzzle meets my Mom's kiss. She actually does celebrate with Ruby and I every single day. You would think she just found us every night,,, like it's all brand new... Hmmmm,,, maybe that's us... We kind of act like we haven't seen her for a week every night either. Guess that works well for us all...

Turns out there are days I need her more and days she needs me a little more. She wants more hugs and kisses. I find myself hanging a little closer,,, kissing a little longer,,, making sure I'm only a furry foot away. I do what is needed. After all, I am the MAN of the house. Mom has to steal Ruby's kisses sometimes. NOT ME... I'm kiss available 24/7.

Mom and I have a "quid pro quo", something for something... I'm available for love as long as she's available to "pick up whatever pieces I leave behind" knowing always that, as she says over and over "LOVE REMAINS." I think that's my Mom's mantra to herself. That means "no matter what I do, or what she has to do" LOVE REMAINS. Another funny thing I hear Mom chant out is "SERENITY NOW, SERENITY NOW" That's a joke from her Seinfeld Show.... but it gives her a few moments to adjust to whatever drama I have created. I have to wonder if "SERENITY NOW" actually means... this is the part where I'd get punished, if she didn't have that phrase." So I love hearing "SERENITY NOW" because I know once again I just got a FREE PASS. 😊

She's one tough cookie with business and stuff. I hear her on the phone and I never hear "Love Remains or Serenity Now." I just have to guess those people calling don't have red hair 🤔.

I wish I could help Mom out and tell her business people how easy it is to make her happy. I would tell them... When she opens the door "smell her" and then, when she's not paying attention, give her a big wet kiss square on the mouth" and after you discuss your business and you have to apologize for something stupid you have done... lay on your back and offer a belly rub. Mom is a sucker for the "belly rub." Boy are these people clueless? Even I don't need a PHD to figure that stuff out... 😊

By the way PHD... that means Pet Here Daily Right?

Ok Everyone, don't forget to light a candle on a cupcake,,, opps I mean 2 candles on a cupcake and celebrate Me and Ruby's Big Birthday on Halloween.

This is Big Baltimore Bailey signing out...
